

## Declaration of IEC/EN 61683 Conversion Efficiency

Product Type: **Photovoltaic grid-tie inverter**

Product Model:

- Conext TL 15000E**
- Conext TL 20000E**

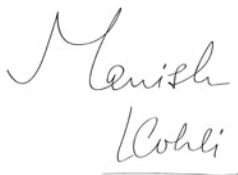

The power conversion efficiency of the above products was measured as per IEC 61683:1999 / EN 61683:2000, "Photovoltaic systems – Power conditioners – Procedure for measuring efficiency" with final results as tabulated in the table below:

Inverter Model	Measured weighted efficiency	Measured peak efficiency
Conext TL 15000E	97.64%	98.03%
Conext TL 20000E	97.76%	98.03%

This declaration is issued under the sole responsibility of the manufacturer

Signed on: 20-Mar-2013

Schneider Electric Solar Inverters USA, Inc. 250 South Vasco Road, Livermore CA, 94551
